28 February 2014

Dear Ms. Baier,

I would like to use this opportunity to cordially thank you for your participation in the ceremony to mark the International Day of Commemoration in Memory of the Victims of the Holocaust, which took place in the Assembly Hall of the Palais des Nations on 28 January 2014. The musical concert by the Bayreuth Zamir Choir, the Jerusalem Oratorio Chamber Choir, the Tivon Chamber Choir and the German Radio Orchestra strongly captivated the audience.

Your outstanding performance as a soprano in the musical part of the programme was warmly received by over 600 United Nations staff, representatives of permanent missions, civil society and others in the audience and, I am sure, equally appreciated by many more around the world who watched through live webcast.

We are particularly thankful for your immense help with the organization of this major event. We are well aware that bringing together and coordinating several choirs and more than 150 musicians and singers from different countries, in addition to securing financial means for the concert, was not an easy task. It was thanks to your and Mr. Tavior's wholehearted efforts, patience and commitment that it all worked out so well. My team and I were happy to have another opportunity to work with you and were again impressed by the level of your professionalism and dedication.

I wish you the best success in all your future professional and private undertakings.

Yours sincerely,
